

Managed< InputController >

```
classDiagram
    class Managed["Managed< InputController >"]
    class kglt["kglt::InputController"]
    kglt --|> Managed
```

The diagram illustrates a generalization relationship. At the top is a white rectangular box with a black border containing the text "Managed< InputController >". Below it is a gray rectangular box with a black border containing the text "kglt::InputController". A blue arrow points from the top of the gray box to the bottom of the white box, indicating that "kglt::InputController" is a specialization or implementation of "Managed< InputController >".

kglt::InputController
